PROFESSIONAL EXPERIENCE

- 2023 – Departmental Science Advisor, Environment and Climate Change Canada, Government of Canada (*60% interchange*)
- 2020 – Associate Professor, Department of Economics and School of Public Policy, University of Calgary
- 2022 – 2023 Visiting Scholar, Environment and Climate Change Canada (*sabbatical*)
- 2016 – 2022 Scientific Director, Energy and Environmental Policy, School of Public Policy, University of Calgary
- 2017 – 2020 Assistant Professor (Tenure Track), Department of Economics, University of Calgary
- 2015 – 2017 Assistant Professor (Limited Term), Department of Economics, University of Calgary
- 2015 – 2018 Director, Canadian Network for Energy Policy Research and Analysis, School of Public Policy, University of Calgary
- 2014 – 2015 Associate Director, Energy and Environmental Policy, School of Public Policy, University of Calgary
- 2012 – 2014 Research Associate, Energy and Environmental Policy, School of Public Policy, University of Calgary
- 2011 – 2012 Research Advisor, Labour Program, Human Resources and Skills Development Canada

OTHER AFFILIATIONS

- 2019 – Mitigation Expert Panel Member, Canadian Climate Institute
- 2018 – Member, City of Calgary Climate Panel
- 2017 – Member, Environmental Assessment Advisory Group, Global Affairs Canada
- 2017 – Treasurer, WPC Energy Canada Future Leaders
- 2016 – Treasurer, Canadian Resource and Environmental Economics Association
- 2014 – Board Member, WPC Energy Canada Future Leaders

RESEARCH INTERESTS

Energy and environmental economics, climate policy, emissions policy, innovation economics, Canadian economic history

EDUCATION

University of Calgary, PhD in Economics, 2011
DISSERTATION: “Essays on Government Policy and the Development of Natural Resources”
University of Calgary, MA in Economics, 2007
University of Calgary, BA in Economics (First Class Honours), 2005

RESEARCH

Note: HQP underlined; *SSHRC/NSERC supported. The numbering system indicates my role in superscripts following each contribution: 1 = conceptualized research idea; 2 = data collection; 3 = data analysis; 4 = writing/editing; 5 = supervision/senior author. † indicates senior responsible author on HQP-led publications.
